

Wyoming Farmers' Marketing Association **2008 Membership**

Farmer's markets and other interested parties are welcome to become members of the Wyoming Farmer's Marketing Association. Payment of dues indicates that your market agrees to operate in compliance with the definitions set forth below.

Membership fees are paid annually in the spring. Members are entitled to Association benefits including reduced fees for conferences and workshops, mentorship opportunities, technical assistance, training and networking.

Definitions:

- A Farmer' or Growers' Market is defined as "Public market place where fresh foods from a defined local area are sold by the people who have grown, gathered, raised or caught them."
- Vendors: Individual or business that promotes or sells agricultural products.
- Interested parties are defined as individuals or organizations whose work is consistent with the mission of the Wyoming Farmer's Marketing Association.

It is the intention of the Association that membership in the Association stands as an assurance of market integrity. We want consumers to be sure that when they go to a member farmers' or growers' market, they are purchasing foods from the farmers and ranches that produced them.

The dues are as follows:

- Vendors, Interested Parties and others = \$15.00
- Farmers' Markets with less than 25 growers, food processors and farm crafts = \$25.00
- Farmers' Markets with 26 – 50 growers, food processors and farm crafts = \$50.00
- Farmers' Markets with 51 or more growers, food processors and farm crafts = \$100.00
